

Dear Curtiss and Lori,

Thank you both for your generous hospitality and for the wonderful (although brief) hunting experience.

😊

Don and I had a great hunt, in beautiful country with great people!

It was clear to us that Curtiss and Bill are skilled guides, and particularly avid archery hunters. Only in our dreams did we imagine both of us would tag out the first morning of the first day!

I will be contacting you soon about 2015. Until then Blessings on the Cherry Ranch and all those who visit there.
